COURAGE

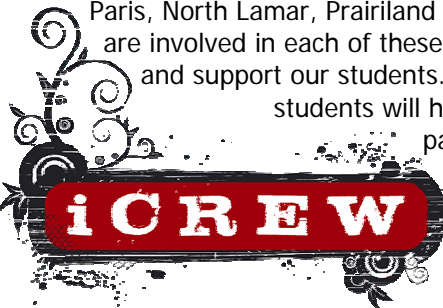

DEVELOPING CHARACTER TO STAND STRONG

Featuring Teaching from FRANCIS CHAN

Many students fear what people would think if they stood up for Truth. It is tempting for students to blend in with the crowd and keep silent. The risk of being rejected or alone for speaking up seems far too great.

Join us Wednesday nights at 6:15pm!

On Friday, Oct. 15th, Paris Wildcats play at North Lamar for band, football and volleyball. We have students at Paris, North Lamar, Prairiland and Chisum who are involved in each of these, go to the games and support our students. Junior high students will have a 5th quarter party in our gym following the football game.

The Singing Men of North Central Texas Ukraine Mission Trip October 17—31, 2010.

We are seeking as many prayer partners as we can find. Please support our trip by praying for God to work some amazing things through our ministry of music. We will be working with Evangelist Michael Gott while we are in Ukraine. So here is how to sign up as a prayer partner: www.smonct.org. We also have created a Facebook Fan page. Do a search in Facebook for "Singing Men of North Central Texas". This will give everyone a place to interact with us while on the trip. Check back here often for a daily update and prayer requests. This is where we will post photos and a travel blog while we are in Ukraine. Our group from Immanuel will be Wayne and Sandra Gadman.

Our Deepest Sympathies to...

...Louise Hartgroves for the loss of her sister, Ginger Chessher.
